The Lost Kids

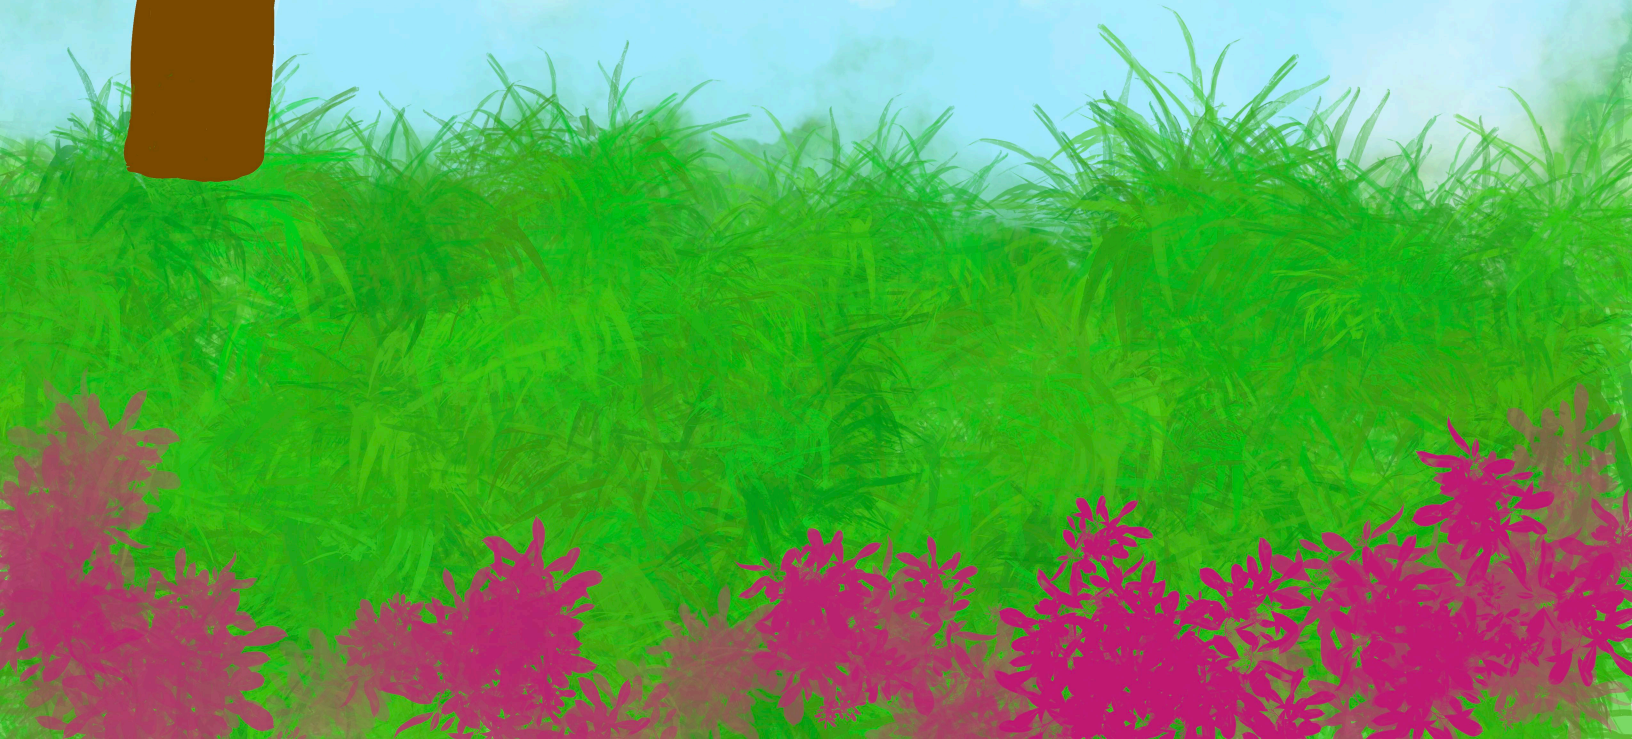

Once, there was a small town where all the houses were plain and identical, except for one house that was really colorful.

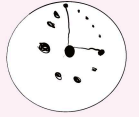

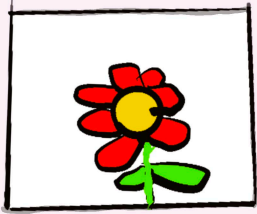

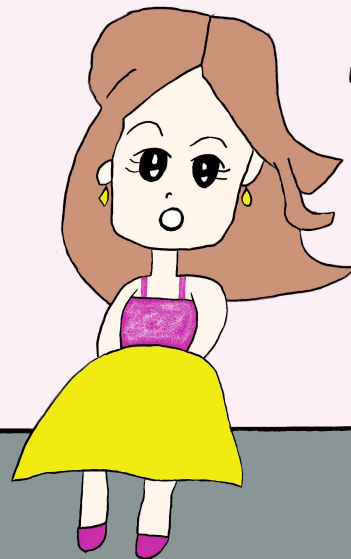

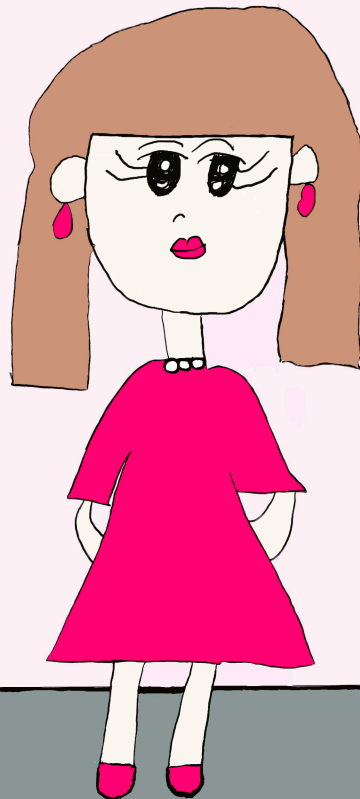

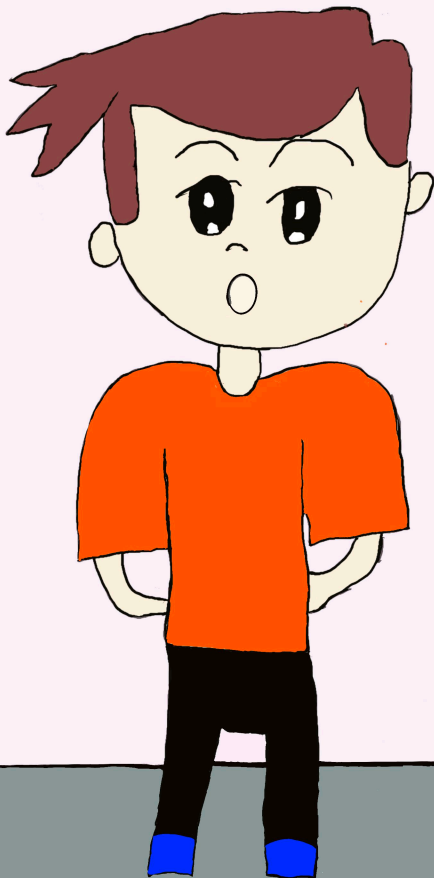

In that colorful house lived twins Oliver and Maya with their parents. They were a happy family.

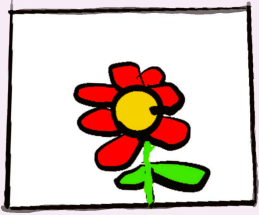

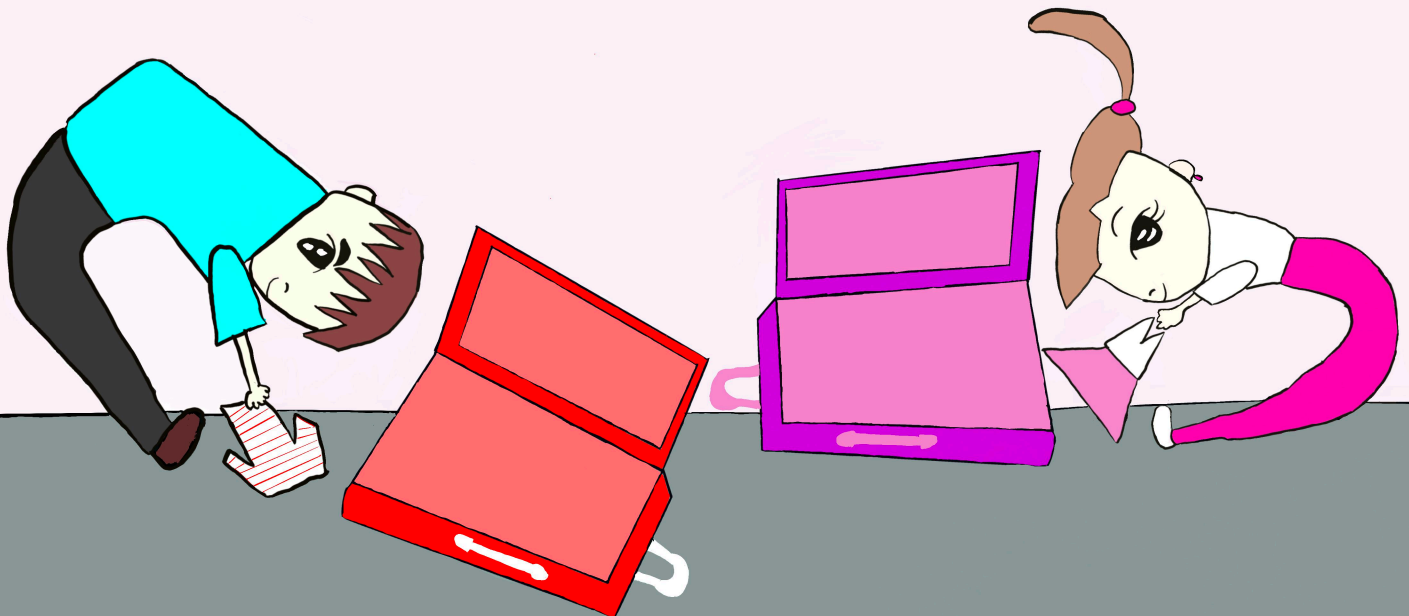

One day, Oliver and Maya wanted to go on a school trip. They asked their parents if they could go, and their parents said yes.

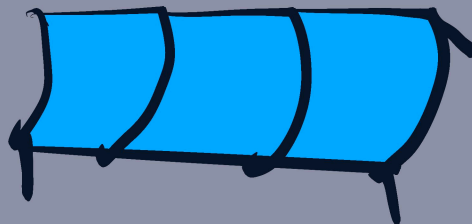

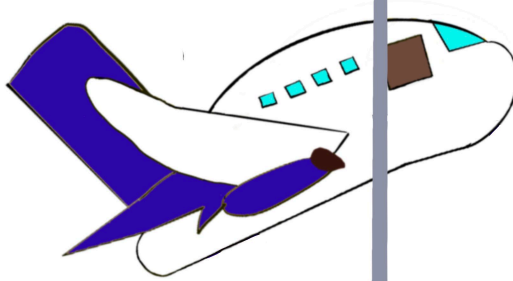

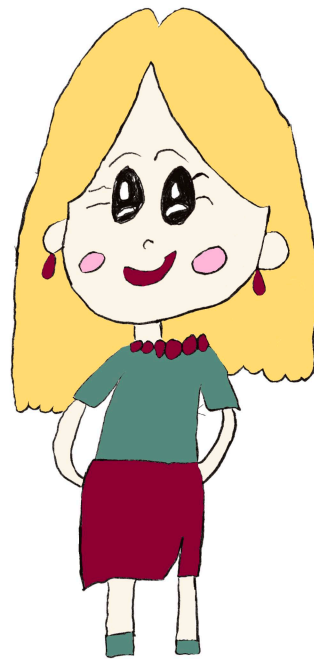

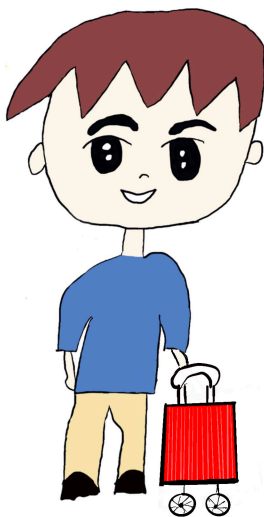

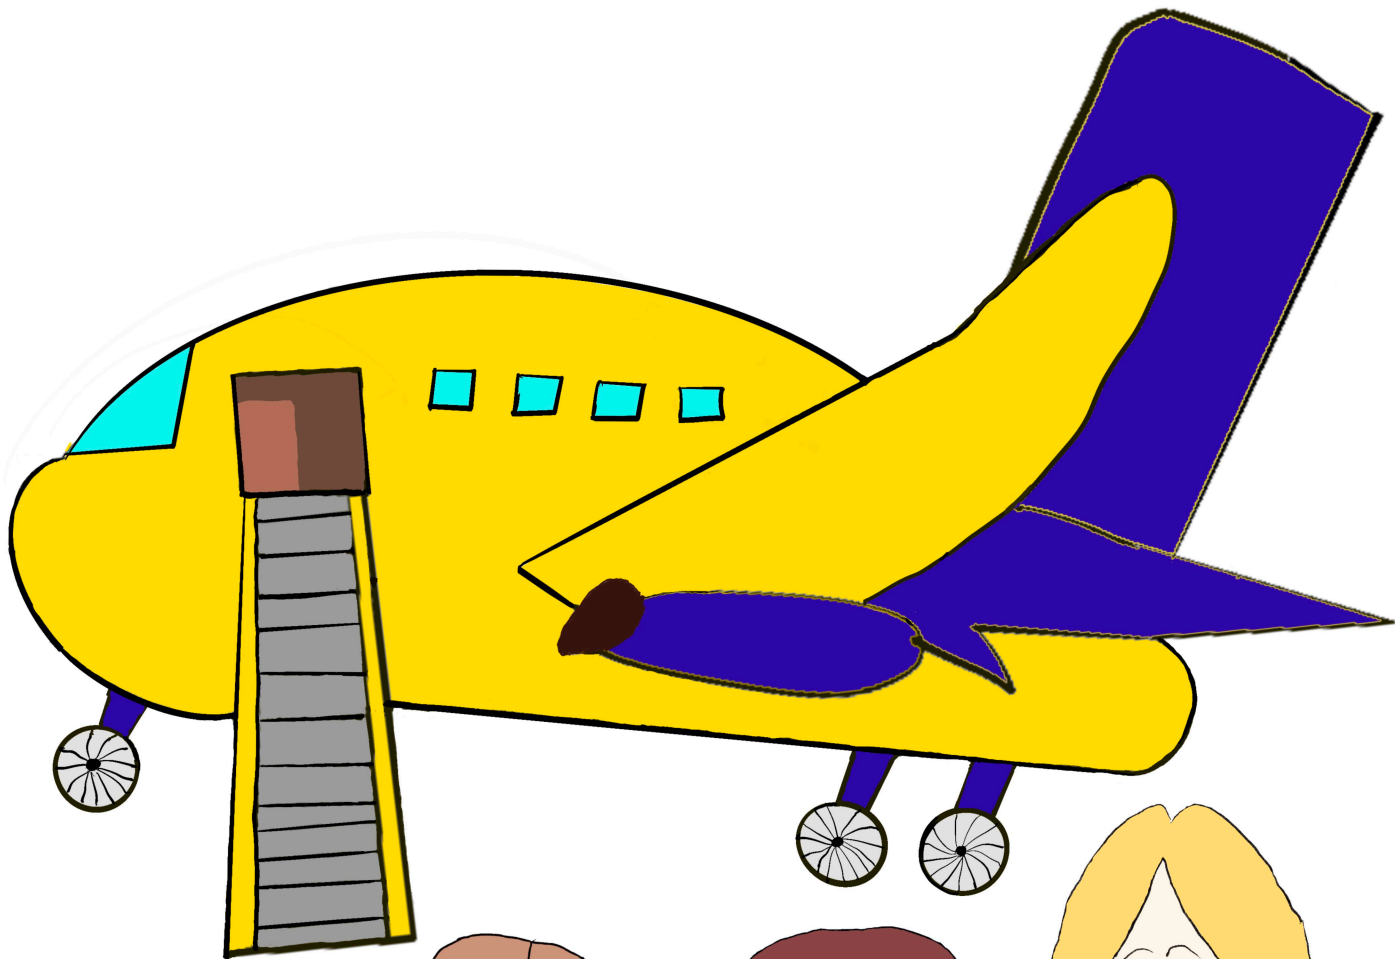

They packed a lot of things for the trip as they were going for a day, and they had lots of friends to play with.

AIRPORT

Then, Oliver and Maya went to the airport and boarded the airplane.

On the school trip, Oliver and Maya went camping. They came to the campsite and started playing with their friends. They also met their old friends Max and Lily there. It was getting dark, so they set up their tents. After the campfire, they slept.
