Max and Lily Love Stars

Max and Lily were twins.

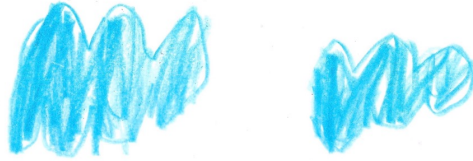

They wanted to know all about the stars.
One day, Max and Lily saw a shooting star
in their backyard.

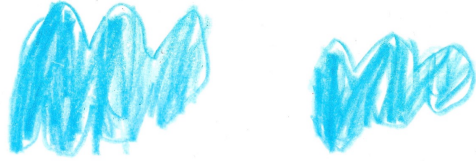

Max and Lily saw a note near the shooting star.
'If you want to know about the stars, you have to
go to the diamond cave,' said the note.

Max and Lily went on the journey. There was a pond with rocks. There was no other way to get to the other side. They jumped on the rocks and crossed it.
