Twilly Explores the World

Once there was a peacock .
His name was Twilly.
He loved to eat worms.

One day Twilly went to the park and
ate worms till the night.

Then he cried as he got scared from the dark.
His mother quickly got him back home.

Twilly snuggled his mother and slept.

Next day, Twilly's mother got trapped by the evil wizard.

The bad wizard went to Twilly's house.
Twilly got his friend Talen and they found
the key from the wizard's pocket.

Twilly and Talen freed Twilly's mother
from the cage.
