Creator's Note

This adventure was imagined, shaped, and created by a young storyteller with a universe inside his mind.

Every twist in the tale, every brave step, and every new world began as a simple idea — and slowly grew into the journey you now hold in your hands. With endless creativity and patience, he turned his imagination into a living story, one panel at a time.

Thank you for stepping into this world with him. More mysteries await... and many more stories are yet to be discovered.

*Stay brave. Stay curious.
And always keep creating.*

An unexpected meeting.
An intergalactic adventure.
And the beginning ♥ of a friendship
that will transcend the stars.

Rise and shine, universe!
I'm awake!

Hello? Anyone?

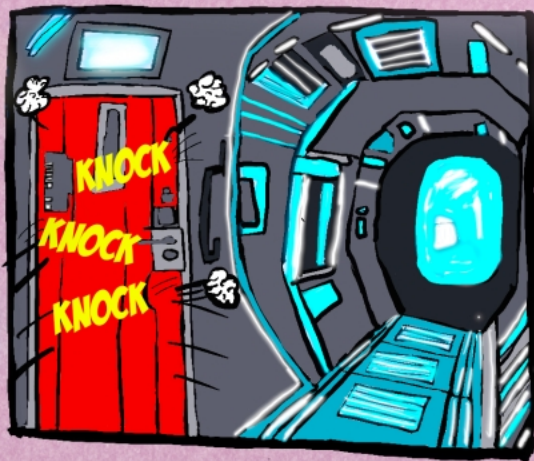

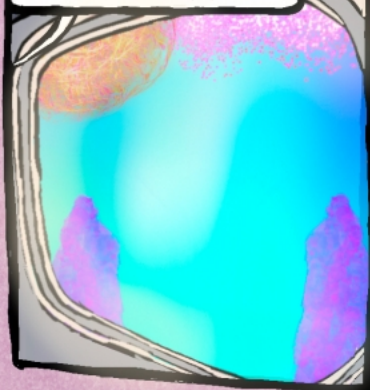

Oh no...I'm lost in space...
alone!

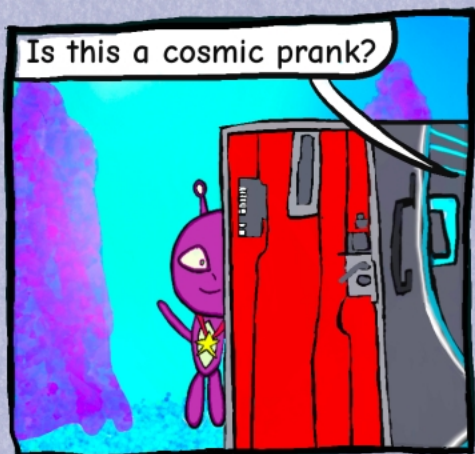

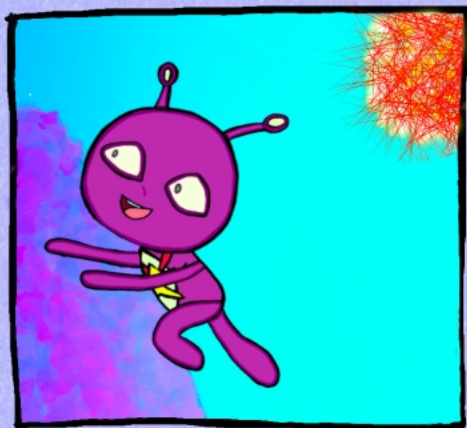

Maybe a quick peek outside
will help...

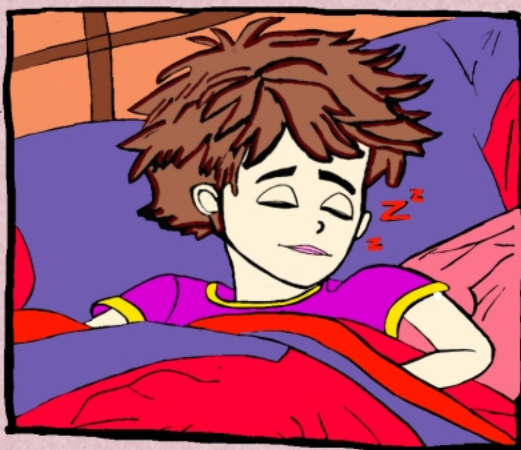

Wow! Beautiful!

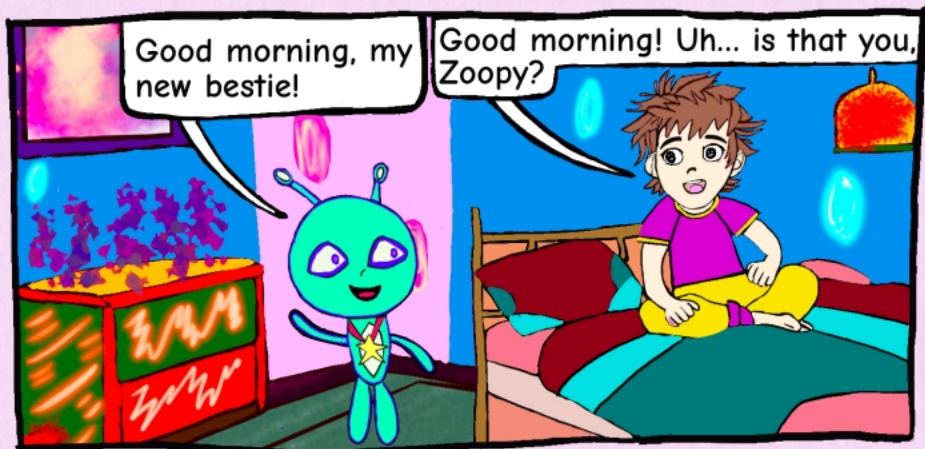

CHAPTER 2

A picture from the past.
A family from another world.
Answers he's been searching for...
are finally within reach.

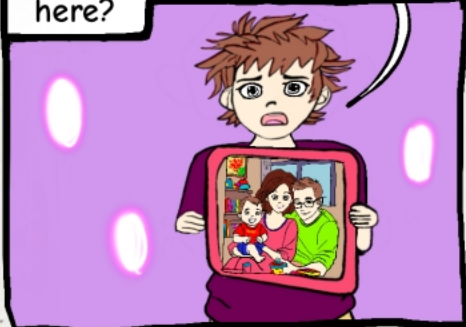

What's the matter Zach?
Is it the human family
in the picture that's
confusing you?

Zoopy, I don't understand...
how did this picture end up
here?

This has a wild backstory,
want to hear it?
But hey, why
the long face?

Actually, Zoopy,
look....this is my
family, and the
baby in the
picture is.... me.

No way!
For real?

I need to
know Zoopy!
How did you
get this?

It all started on a bright and
bouncy morning....
